

# SOUTH CAROLINA AQUARIUM™

FREE WITH ADMISSION

**CHARLESTON'S  
MOST VISITED  
ATTRACTION**

# WE'RE

*There's no place in Charleston like the South Carolina Aquarium. A place where fun, wonder and education come together in one unforgettable experience you'll want to have again and again. Explore the depths of the Atlantic Ocean with the Aquarium's 330,000 gallon Great Ocean Tank featuring the nation's tallest viewing window—a window with spectacular views of sharks, a 200 lb. loggerhead turtle, many species of fish and much more.*

**MORAY EEL**

*"If the reef has a bouncer, it's me."*

# JUMPIN'

*Native fish, birds and reptiles as well as marsh, mud flats and native plants blend harmoniously to give you an up-close view of the wildlife and habitats along the South Carolina coast. As you move through the Saltmarsh Exhibit see snapper, crabs, herons and even stingrays along with a beautiful view of Charleston Harbor.*

## SEAHORSES

***"If you think we're small,  
you should see our jockeys."***

*Come nose-to-nose with mesmerizing sharks inside the Aquarium's Great Ocean Tank. You'll get the kind of in-depth look at these perfect predators you'd normally only get through a diver's mask—large nurse sharks, sand tiger sharks and more! You'll see why they're admired and feared for both their power and grace.*

# WE'RE SWIMMIN'

*There's no place in Charleston like the South Carolina Aquarium. A place where fun, wonder and education come together in one unforgettable experience you'll want to have again and again. Explore the depths of the Atlantic Ocean with the Aquarium's 330,000 gallon Great Ocean Tank featuring the nation's tallest viewing window—a window with spectacular views of sharks, a 200 lb. loggerhead turtle, many species of fish and much more.*

LOGGERHEAD TURTLE

*Nature's original SUV*

# PLAYIN'

*Experience a slice of the Blue Ridge Mountains and watch our irresistible river otters swim and play – and play and play and play – in the Mountain Forest Exhibit. The exhibit also includes many native plants, wildflowers and birds as well as other wildlife, such as snakes, salamanders and fish. There's even a waterfall to make this one 'cool' spot during your visit.*

## RIVER OTTERS

***"Wait a half an hour  
to swim after eating.  
Nah, I'll swim while I eat."***

*Come nose-to-nose with mesmerizing sharks inside the Aquarium's Great Ocean Tank. You'll get the kind of in-depth look at these perfect predators you'd normally only get through a diver's mask—large nurse sharks, sand tiger sharks and more! # LEARNIN'

*Hands-on experience" and "up-close and personal" take on a whole new meaning at our 1,700 gallon touch tank and Discovery Lab Exhibits.*

*Grown-ups and kids alike can learn and have fun with the chance to touch and hold real sea urchins, horseshoe crabs, spider crabs and sea stars. Microscopes provide a rare view of the tiny animals that live in ocean waters and around docks. Video cameras reveal the delicate and interesting lives of smaller creatures like grass shrimp, barnacles and crabs (they don't mind) to give visitors an even deeper understanding of the complexity and beauty of marine life.*

**BLUE CRAB**

*"I'm actually quite an easygoing guy."*

**A MAJOR  
NEW EXHIBIT**

# AMAZIN'

*Seeing is believing when it comes to our major new "Unbelievable Floating Objects" Exhibit. Out-of-this-world creatures like the spectacular leafy seadragons, fascinating cuttlefish and exciting saltwater crocodiles are only a few of the amazing creatures you'll see. Learn how these creatures live and thrive in their unique coastal environments that range from the Pacific Ocean to the Sea of Cortez and the shores of Australia and Indonesia.*

**WEEDY SEADRAGON**

*"See us before we beam home."*
